

PROJECT HANDOVER

SOT To Bestworth Website Handover

This handover document records the transfer of operational access, supporting services, and administrative responsibility for the new Bestworth website.

Handover Summary

This document should be completed and signed when operational control is formally transferred from SOT to Bestworth. It is designed to capture access handover, account responsibilities, and sign-off expectations.

Accounts and Services To Transfer

Item	What Is Being Handed Over	Status / Notes
Admin Login	Primary administrator access for the new website	Preview password currently active
Company Gmail Account	Email account used for operational continuity and/or recovery where applicable	To be completed at handover
Render	Production hosting account or managed service access	To be completed at handover
MongoDB Atlas	Live database management and billing access	To be completed at handover
SendGrid	Email delivery service and billing access	To be completed at handover
Source Code Repository	Project repository access and ownership record	To be completed at handover
Domain / DNS	Website domain, DNS records, and registrar relationship if applicable	To be completed at handover

Recommended Handover Checklist

- Confirm the final preview state of the website is approved.
- Confirm the working admin login provided to Bestworth.
- Confirm whether password change remains locked during preview or is re-enabled after acceptance.
- Transfer or record access to Render, MongoDB Atlas, SendGrid, and the source repository.
- Transfer the Gmail account or document the exact account ownership and recovery process.

- Document all operational contacts, billing contacts, and fallback recovery contacts.

Provided Account Details

Service	Username / Email	Password	Notes
Company Gmail Account	bestworthproduct@gmail.com	BESTWORTH	Provided for handover. Change after acceptance if desired.

Account Inventory

Use the following space to complete the actual handover details.

Account / Asset	Username or Owner	Recovery Email / Phone	Notes
Admin panel			
Gmail account	bestworthproduct@gmail.com		Password provided in handover details
